Chartered Certified Accountants

We are holiday home specialists

Stewart & Co. LLP is a three partner firm of Chartered Certified Accountants which has been established for over 30 years. Nearly all our new clients are obtained from referrals from our existing clients.

We have been working with owners of holiday homes for many years and we have a separate department dealing with the tax issues of those who own and sublet static caravans.

We are one of the leading providers of this service in the country and we successfully represent hundreds of caravan owners throughout the UK.

It is possible that the tax allowances available on the purchase price of the caravan will result in you having overpaid tax. The friendly team at Stewart & Co. LLP can assist you in claiming a repayment of that tax.

Call our dedicated caravan tax line on **01202 314576**
or you can email **caravan@stewartaccountants.co.uk**
